

# MARKSMANSHIP TRAINING CENTER

## BASIC SNIPER COURSE

Date: June 10-14

Duration: 5 days-50 hours

Prerequisites: Agency/department screened current law enforcement officer.

Location: MTC

Cost: \$800

The Marksmanship Training Center Basic Sniper Course is intended for officers assigned to SWAT/SRT/ERT, to support tactical law enforcement operations. Our five-day course has 50 hours of instruction and practical application of the following subjects: Fundamentals of marksmanship, firearms safety, scope theory, camouflage and tactical movement, final firing positions, observations and field sketches, range estimation, ballistics, moving target engagements, intermediate barriers, angular shooting, low light shooting.

Successful completion of this course and certification will require a passing score on graded courses of fire at known and unknown distances as well as the demonstration of proficiency and understanding in required skills during practical exercises.
