

**Premier Training Services  
presents Tactical  
Emergency Casualty Care  
(T.E.C.C.) and First Aid/  
CPR Certification**

Basic Bleeding Control, First Aid, CPR, and Tactical Medical Response are courses that were designed for everyone in your organization. This 8 hour course teaches participants the current best practice recommendations for how to manage life-threatening emergencies. In addition, the course addresses the basic tactical emergency medical skills needed to effectively manage a crisis. The course consists of lecture and practical skills application.
